ESSENCE 2018 CONFERENCE
Gothenburg | 10-11 April 2018

The Gillberg Neuropsychiatry Centre will be holding an ESSENCE CONFERENCE. In April 2018, more than 30 international experts from the centre’s large network will come together to offer the very latest in the field of ESSENCE.

Registration is currently open, and from now until 30th June 2017 there is a great offer - a super early fee of 2900 SEK excluding VAT.
